

## **7 Days Tarangire, Ngorongoro, Lake Natron and Manyara Safari**

### **Tour Overview**

Discover the wonders of northern Tanzania in our extraordinary 7-day Tarangire, Ngorongoro, Lake Natron & Manyara Safari. This captivating journey takes you through diverse ecosystems and iconic landscapes, providing a comprehensive Tanzanian adventure. Begin your expedition in the lush Tarangire National Park, famous for its majestic baobab trees and abundant wildlife. Then, descend into the Ngorongoro Crater, a natural wonder and haven for an array of species, including the Big Five.

Throughout your 7-day journey, you'll stay in carefully selected lodges and camps, each offering comfort and a deep connection to the surrounding wilderness. This safari is a symphony of Tanzania's natural wonders, a harmony of wildlife encounters, and an immersion into the untouched beauty of Tarangire, Ngorongoro, Lake Natron, and Manyara.
